

“Reduced administration for you... Maximum convenience for your drivers”

GM FleetTrac is a Consolidated Billing Program... *Plus* features to reduce resources required to manage your vehicles, control your costs and monitor activity - Through a national network of participating GM Dealers.

GM FleetTrac Features and Benefits –

- “No Fees” – No enrollment, monthly maintenance or use fees. Reports are also no-fee!
- Consolidated billing... Plus features to reduce vehicle administrative burdens and control costs.
- Invoice can be segregated based on your needs (Departments, Operating Units, Regions, etc.).
- National GM Dealer coverage - Providing quality GM parts, trained technicians and GM diagnostic tools.
- Every GM FleetTrac invoice systematically builds a vehicle repair history for your use.
- All makes and model vehicles can be enrolled and serviced at GM FleetTrac Dealers using quality **ACDelco** parts.
- Purchase over the counter parts through the GM FleetTrac program.
- View Month-To-Date spending before your consolidated invoice is sent.
- Robust and fully customizable reporting to analyze your vehicle operations is included at no cost (samples below).
- Enroll just 1 or 10,000+ vehicles – All operators can have controls and reports which up until now were only provided to large national fleets.
- Three levels of invoice details available: 1) Account Summary 2) Repair Event Summary 3) Detailed Invoice Likeness (samples below)
